About Personalis, Inc.

Personalis, Inc. is a leader in population sequencing and cancer genomics, with a focus on data, scale, efficiency and quality. Personalis operates one of the largest sequencing programs globally and is currently the sole sequencing provider to the U.S. Department of Veterans Affairs Million Veterans Program. In oncology, Personalis is transforming the development of next-generation therapies by providing more comprehensive molecular data about each patient's cancer and immune response. The Personalis[®] [ImmunolD NeXT Platform[®]](#) is designed to adapt to the complex and evolving understanding of cancer, providing its biopharmaceutical customers with information on all of the approximately 20,000 human genes, together with the immune system, from a single tissue or blood sample. The Personalis[®] [Clinical Laboratory](#) is GxP aligned as well as CLIA88-certified and CAP-accredited.
